

**American Baptist Churches of the Central Pacific Coast**  
**2022 Annual Gathering**  
 Hosted by First Baptist Church, Portland, Oregon  
 October 14-16, 2022

# We are American Baptists...

*What does it mean to be "in Association" with one other?*

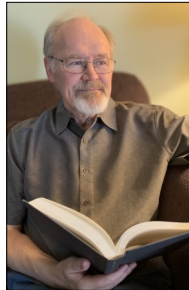

**Consider...**

- The American Baptist Churches of the Central Pacific Coast is one of 34 Regions nationwide.
- Our 80+ churches are among the 5,000+ ABC congregations in the US and Puerto Rico.
- Through these Regions, congregations connect to each other, to the Office of the General Secretary, to our Home and Foreign Mission Societies, to the Ministers and Missionaries Benefit Board, and to over a dozen additional associated ministry and related organizations.
- Affiliated with ABC-USA are 16 colleges and universities and 10 seminaries and theological schools (including Linfield University and Berkeley School of Theology in our region).
- *How can local churches, pastors, and congregational leaders access and partner with other American Baptists to revitalize and equip their churches to be vital and effective in the ministries to which God has called them? Let's ask some of our national partners!*

**Our Special Guests include . . .**

Rev. Soozi Ford  
ABC-USA  
Assoc General Secretary
